## PRESIDENT'S MESSAGE

Our March meeting is upon us and we are gearing up for our annual election of officers and directors of the TBMOA.

As members of this association, we have a responsibility to come out and cast a vote for the individuals you would like to form the new executive board for the coming year. Nominations will come from the floor and we will also have mail out proxy ballots for those who will not be able to attend.

The election process is a very important element of our association, so please come out and support us on March 9, 2005.

Thank you,

Tris Scott  
President
