**PRESIDENT'S MESSAGE:**

I would to thank all the members who continue to support the association with their attendance at our meetings and those of you who make the time to assist on committees and other association functions. But more help is needed and I hope that I can count on you with your support.

I therefore ask that you come out and join us at our next meeting where we will explore methods for re-energizing the association.

I look forward to seeing you the next meeting and I welcome your comments and suggestions.

Please remember Advertisers night on February 17, 2005 (see yearbook report) we would like to see good turn out from the membership.

Thank you,

Tris Scott  
President
