PRESIDENT'S MESSAGE

Please be advised that there will be an important meeting of The Toronto Building Managers' and Operators' Association on Wednesday February 15, 2006. Please note the change in venue, there is ample parking at the rear of the facility and on the street.

Poor attendance and a lack of interest have forced the Executive Committee to call this meeting. The association cannot exist without the support of its members.

Therefore, the main business at the next meeting (Feb 15, 2006) will be to decide the future of our Association and whether or not it should be closed down.

All members are urged to attend to express their views on the direction this Association should be taking.

After this meeting, members are invited to join the Executive Committee at a live improv comedy night upstairs in the McNeil room at Whistlers.

Please contact Peter Choi your phone in committee chairman as soon as possible to confirm your attendance at this very important meeting.
